GARDENA MAY INCORPORATE AS CITY SOON

Supervisors Expected To Set Election date next Week

A move to incorporate Gardena as a city of the sixth class was started Monday, when a petition signed by 60 residents was presented to the County Board of Supervisors. The board indicated its willingness to call an election but could not set the date owing to the omission on the part of petitioners to include the list of election officials. This information will be supplied and the supervisors are expected to set the election date next week.

The territory proposed for incorporation includes all that district between the new Torrance McDonald tract annexation and the Western City proposed annexation to Hawthorne. It is two and a half miles long and about one and a half miles across, and includes the communities of Gardena, Strawberry Park and Moneta. The district has an estimated population of 3000, and an assessed valuation of approximately \$4,900,000.

Fear of assessments from the proposed Hollywood-Palos Verdes Parkway and an effort to curb encroachments of neighboring cities are given as the reasons for pressing the incorporation proceedings at this time, according to those active in the campaign.

Wood states that he has his eye on a number of good men for the job. Torrance has been awarded an additional half-time member on its athletic faculty for next year, which will mean that the local school will have the advantages of two coaches next year instead of one as formerly.

Mrs. Lois Lingensfelder Engel has also resigned from the high school faculty, due to her recent marriage.

Torrance Blues in Holiday Game

Meet Zapateros at White Sox Park, L. A.

Manager Ed Tansey of the Torrance Blues announces that his team will be seen at White Sox park, Los Angeles, on the Fourth, when they play the El Paso Shoe Company. This game will permit the Blues and the Zapateros to catch up on their league schedule which was broken two weeks ago when the Blues played the Los Angeles Colored Giants, here.

This event, due to the national holiday, will be more than ever a fiesta for the patrons of the park, with music by a Mexican band, special sport features, and a general good time in addition to a double header ball game.

Torrance Boy To Make Ocean Swim

A large number of the Torrance Mexican population are planning to be at the Belmont avenue pier in Long Beach, July 4, to cheer Gus Velarde, 23-year-old resident of North Torrance, when he dives into the ocean for a six-mile competitive race with Dr. J. A. Graham, 53-year-old World war veteran.

Velarde, who operates a store and sub-station postoffice in North Torrance, was a former swim star at Inglewood high school. He has been in training for the past year under Graham and Irving Davida, veteran Navy pilot and channel swim coach.

The race will be from the Belmont to the Pine avenue piers and return. It is Velarde's intention to enter the next Catalina Island swim marathon and represent the city of Torrance.

Elusive Grunion To Run July 11th

The grunion season opened July 1st, but according to Capt. J. M. Andersen, skipper of the big Olympic fishing barge at Hermosa Beach, the little silver fish won't actually start their activities until the 11th. Andersen is considered to be an authority on anything pertaining to ocean angling, and he says that the little fellows will gallop from the 11th to the 14th inclusive. Again later in the month two more dates are given, the 27th and the 28th.

"Midnight hours are the best to observe the grunion" says Andersen, with the tides reaching their high peaks between 10:30 and 1:30.

Blues Fail To Head Off Merchants

Leaders of Major Summer League Make It Six In A Row at Expense of Torrance

Torrance was no bar to the progress of the mighty Pasadena Merchants, Sunday, for the Pasadena boys made it six straight, winning from the Blues by a score of 5 to 3.

Pasadena put over one run in the first inning. For the next six frames the game proceeded without incident except for a double play from Bonett to Atwood in the fifth. Torrance came to life in the eighth, and tied up the score, but poor judgment on the bases killed the rally, and in their half of the inning the Merchants piled up four more runs. Torrance scored two in the ninth, but were unable to overcome the Merchants' lead.

Mike File pitched for Torrance and turned in a good card, allowing but one free ticket and striking out seven batters. The Merchants had the best of the hitting. While each team was credited with ten hits, the Merchants got away the long ones, including one which went for a homer because of an error.
